

Protect, Conserve, & Get Involved!

So, Now i've got your attention please keep on Reading!....

By using a rainwater tank, you're catching the rain-water instead of letting it fall on the ground.

WASH your car on the lawn, therefore you are giving the lawn a water as well. If you WASH your car in the DRIVEWAY then the dirty, soapy water gets washed into our river, which we Drink!

WATER IS PRECIOUS

So don't waste it!
